

DIST. 210 BOARD VISITS BUILDINGS AND ARCHITECTS

E. J. Reif's Son Promoted in Rank

Kenneth J. Coit, son of Mr. and Mrs. E. J. Reif of Mokena, has entered on active duty as a Reserve officer with the rank of Second Lieutenant. Formerly an enlisted man at Fort Bliss, Texas, with the rank of Sergeant

Lieutenant Coit

First Class, Lt. Coit took his oath as an officer January 8 in a ceremony held in post headquarters at Fort Bliss.

The young officer has a military service record of six years, 32 months of which he spent overseas in Germany in 1946-48, with the 912th Ordnance heavy maintenance. He came to Fort Bliss in May 1949 and at the time of receiving his commission was serving as chief clerk in the supply sub-section of the G-4 Section of the Post.

Lt. Coit celebrated a special occasion recently. On the same day on which he received notice of his commission, his wife became a naturalized citizen of the United States. She is a native of Poland. The couple was married while he was stationed overseas.

Cole Marionettes at School Thurs. Night

The Cole marionettes, so well known in Mokena that they need no introduction, will present a program in the Mokena Public school, Thursday evening, February 21, starting at 8 p.m.

The show will include two features, high lights of American history showing events of the Revolutionary war, and "The Hardy Tin Soldier" based on the story of Hans Christian Anderson.

The show is staged by the world's largest producers of marionette shows, and is sponsored each year by the school. The public is cordially invited to attend because the program is as interesting for adults as for children.

MOKENA VFW TO GIVE ST. PATRICK'S DANCE

The Veterans of Foreign Wars of Mokena, William Martin Post 725, will sponsor a St. Patrick's Day dance on Saturday evening, March 15, in the VFW hall on Wolf road.

COUNTY BOARD DELAYS HEARING ON ORLAND TWP. LAND REZONING

Explorers to Meet

The Explorers Scouts of Mokena will hold a meeting at the home of Russell Geuther Wednesday evening, February 20 at 7:30.

Bill Dalton of Joliet is advisor and plans for the near future and summer are being made such as camping trips to Minnesota, weekend trips, square dancing and parties as well as scouting activities.

There will be a paper drive February 22. The money raised by the drive will go toward needed equipment.

Any boy 14 or over who would like to take part in Explorers activities and learn things of value as well as having a good time with their age group are invited to attend the meeting Wednesday night.

L. HOLM TO REGISTER CATTLE UNDER 'HOLMADE'

Louis Holm & Son, of Mokena, have been given the privilege of the exclusive use of the name "Holmade" as a herd name in registering their purebred Holstein-Friesian cattle. This prefix name is granted and will be recorded by The Holstein-Friesian Association of America.

Nearly 1400 prefixes were reserved for breeders in 1950.

The high school board of Community High school district 210 at their last meeting Wednesday evening reviewed the architects and the buildings that they have seen in the past weeks.

In the past six weeks the high school board has traveled over 1,000 miles and seen over 12 different high and grade school buildings that have been constructed in recent years. The Board felt that it was necessary to see these buildings personally in order to obtain a better idea of the type of work done by the different architects and also to acquaint the Board with the desirable features that are now being incorporated in new school buildings.

The Board intends to obtain an architect who is fully acquainted with school buildings and present costs of construction and who can give this district the finest possible building for the children at a reasonable cost.

The buildings that the Board has seen and their architects are the Reavis High school in the Calumet district, and the Pershing grade school at Joliet, E. J. Coyle, architect; the new high school at Morris, Berger and Kelley, architect; the high school at Barrington with Perkins and Wills as architects; the Grayslake high school, the Matteson grade school addition and the Dolton school, Madden and Connors, architects; and the Blue Island high school; the Rolling Green school at Rockford, Gilbert A. Johnson and Associates, architects; the Junior high school at Freeport with Childs and Smith as architects.

In addition, the Board interviewed Raymond A. Orput and Associates of Rockford at their recent meeting. Additional information in regard to the qualifications and background of these firms is being obtained from reliable sources, and the Board expects to make a final decision on the architect for the district within the next two weeks.

The Board has also interviewed applicants for the position of superintendent of the school. There will be further interviews for this position and the final choice will be made after all applications have been fully screened and interviewed.

ORLAND-PALOS DISTRICTS PLAN TO CONSOLIDATE

Petitions in the Orland High school district number 221 are being circulated to request the township trustees to consolidate the Orland and Palos High school districts. The Illinois school law allows such a consolidation to take place if a majority of the legal voters in each of the two districts sign such a petition and if the township trustees in the townships affected approve the voters' request.

To date, approximately five hundred voters in the Orland High School district have signed the petition to consolidate with Palos. It is improbable that the citizens circulating the petitions will be able to call on all the people. Therefore, other voters who wish to sign are asked to see one of the High School board members or one of the Grade school board members in Orland township.

(CNS) The Public Service Committees of the Cook county Board Wednesday deferred a hearing on the petition of the Oak Park National Bank as Trustee, for the reclassification of about 63½ acres of land located on the north side of 153rd street about 400 feet east of 108th avenue in Orland township, from the farming district to the light industry district. They deferred the petition in order that a full hearing on it could be made.

The Zoning board of appeals had recommended that the reclassification be made with the restriction that for 30 years there be a 400 foot wide buffer strip for any commercial or industrial use.

The property is part of a 420 acre tract adjacent to and partly in the village limits. Part of the 420 acres is already zoned for industrial use. The proposed building wants to construct a building to manufacture co-axial transmission lines and radio antennas.

The proposed building would be constructed of masonry, concrete and steel. Several small buildings on the property already have been used for the storage of raw materials such as copper tubing and brass fillings.

MOKENA PLAYERS IN 'JAN. THAW'

The Mokena Village Players will stage their second play, "January Thaw" in the Mokena Public school gymnasium February 29 and March 1 and 2. The play is a comedy with many amusing situations and the setting is an old remodelled farm house in Connecticut.

The success of last year's production presages a fine performance this year with a popular play and several experienced members in the cast.

Tickets are on sale and may be obtained from any member of the group. The Players are in need of stage props, pair of fireplace bellows, an old fashioned doll cradle and a bicycle siren. Anyone who has any of these articles is asked to contact Mrs. Norval Robinson phone Mokena 2842.

Amvets Request Support for Bill

According to the Five Point Amvets post of Mokena, the Amvets throughout the country are backing a bill which is put in Congress, H. R. 5899 which would give to the veterans of World War II and Korea the same benefit as World War I veterans have.

The World War I veterans have non-service disabilities through a bill passed following that war, and thinking there would be no more wars, the bill only named veterans from the first World War, which leaves the veterans in the following two wars without the benefits which they rightly deserve.

The Mokena Amvets are asking everyone who will, especially their members, to write to Congressman Noah H. Mason, House Office Building, Washington, D. C. and to Senators Everett Dirksen and Paul Douglas requesting them to support H. R. 5899 bill.

GREEN GARDEN SPONSORS PLAY

"The Apple of His Eye" will catch your eye when its shown at Peotone High school gym at 8 o'clock p. m., March 1. This play was so successful when given in New Lenox by the Methodist Dramatic club that it was requested to present it again.

Walter Huston played the leading part when it was a hit on Broadway. The country atmosphere as the curtain rises will take you right into the farm living room of an Indiana home.

This play is sponsored by the "Martha Circle" of the Women's Society of Green Garden Methodist church. Everyone is urged to see it.

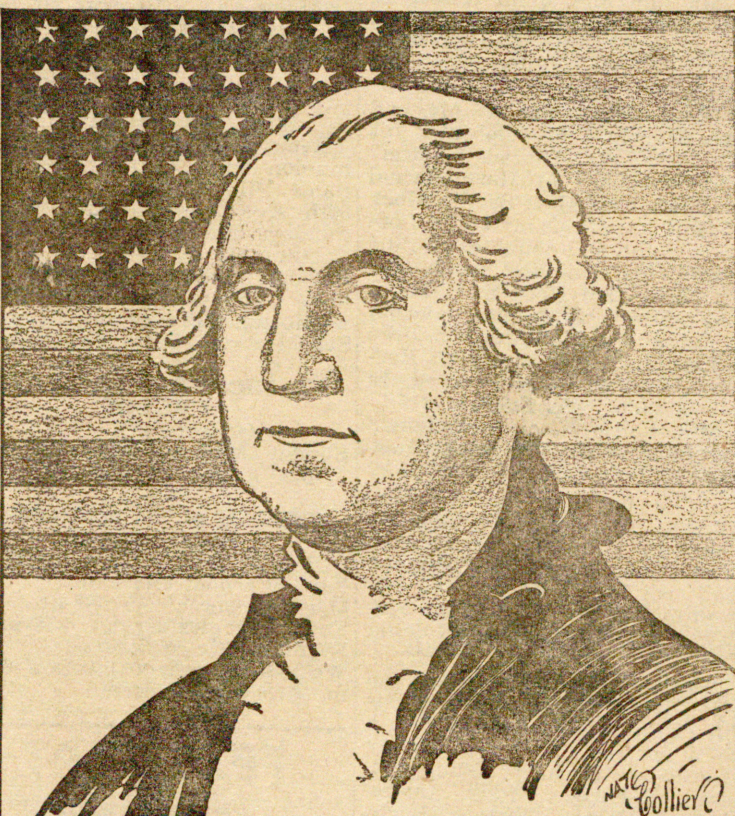

POST OFFICE CLOSED

The post offices in New Lenox, Frankfort and Mokena will be closed all day Friday, February 22, Washington's birthday.

Car-Tractor Accident At Mokena

That Richard Erickson lived to tell the tale when his tractor was hit last Wednesday evening, is somewhat miraculous.

Erickson, of Mokena, was driving his tractor north of Wolf road about 5:30 that evening when a Ford sedan driven by Fred Goeke of Lockport ran

"As a very important source of strength and security, cherish public credit. One method of preserving it is to use it as sparingly as possible." — Benjamin Franklin

BIG ACTS IN FAMILY PARTY SHOW FEB. 29

The Goodson Farm Equipment Sales of Tinley Park, will sponsor a family party in the school gym at Tinley February 29, starting at 8 p.m. There will be no charge.

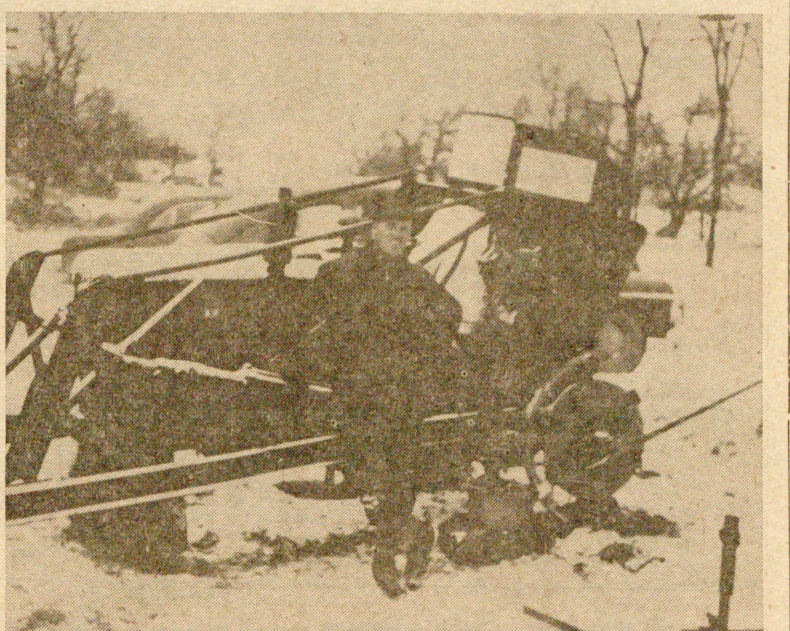

Among the features of the program will be Texas Tommy and his educated horse, "Baby Doll". The horse has been shown in Europe and all over this country as well as appearing on a nation-wide TV hookup. He is able to do stunts, tells his age and answers questions with a shake of his head or a paw of his hoof. His master also shows a troop of trained dogs.

George Johnstone with his wife, Betty, keeps the show moving fast with its program of acrobatic stunts and songs you love to hear by Rocky Mountain Mary. On the screen will be two pictures, "Twine Around the World" and Abbott and Costello in a typical comedy, "Nuff Said."

The Goodson company, cooperating with the International Harvester company, are sponsoring this full evening of entertainment free of charge and with no sales talks for all their friends in the community.

MEETING IN VFW HALL TUESDAY EVENING

A group of Mokena people gathered in the VFW hall Tuesday evening for the purpose of drawing a slate of candidates for the coming election for the Mokena public school district 159.

Richard Erickson, Mokena

into the tractor. Both were going into the same direction.

The impact threw Erickson off the tractor seat, up into the air with him landing on his back on the edge of the concrete road. The only bruise sustained was from a tool in his pocket.

The tractor being in gear, continued on without a driver and was stopped when it ran into the ditch just south of the Buesch driveway and hit a culvert.

Frankfort PTA Hon'rs Past Presidents

The Frankfort PTA met Wednesday evening, Feb. 13 in the school with Mrs. Stanley Johnson, president, in charge.

The monthly theme was "A Better Community Through Keeping Faith." Mrs. Hershel Patterson introduced the Rev. David Munson who spoke on "Community Betterment Through Religious Education."

A Founders Day pageant entitled "Our Child Welfare Rainbow" was given. In the cast were Mesdames Lawrence Woodman, Lester Heisner, Milton Subert, Leroy Mager, James Stevens, Orval Schroeder, Elmer Seivert and Miss Isabel Harmer.

A gift was presented to each of the following past presidents: Mrs. Herbert Folkers, Mrs. Wallace Weichbrodt, Mrs. Clarence Wise, Mrs. Leo Peterson and Mrs. Walter Harnack.

The new officers elected were Mrs. Wendell Morrison, 1st vice president, Mrs. Lawrence Woodman, 2nd vice president, Mrs. Lester Heisner, secretary, and Mrs. Aaron Grief, treasurer.

The PTA Mother Singers entertained with several songs and were accompanied by Mrs. Albert Krusemark.

After the meeting refreshments were served from tables decorated valentine fashion centered with a three tier birthday cake. Hostesses were Mrs. Walter Schoen, Mrs. Elmer Seivert, Orval Schroeder, Ernest Knudson and Herschel Cave.

DEFER ACTION ON ZONING FOR HOT POINT, INC.

(CNS) The Public Service committee of the County Board Wednesday again deferred action on a petition to reclassify 110 acres of land on the south side of 95th and the west side of Harlem. Frank A. Watkins and the First National Bank of Chicago are asking for a reclassification of property from the farming district to the heavy industry district.

Hot Point, Inc., wishes to erect a \$20,000,000 refrigerator manufacturing plant on the property.

A special committee of Commissioners John J. Duffy, Geo. A. Miller, Christ A. Jensen was appointed to look into the matter further.

Marley Pastor to be Ordained Sunday

No church or Sunday school services will be held next Sunday, February 24, at the Marley church as their pastor, Rev. William Bingham, will be ordained at services held that morning at 11 o'clock, in the Woodlawn Baptist church in Chicago. The Chicago church is located on the south side at 62nd street and University ave.

MUSICAL PROGRAM AT MOKENA PTA TUES. NIGHT

The Mokena PTA meeting to be held on Tuesday evening, Feb. 26 at 8 p.m. in the school will begin with an evening of music as entertainment.

Parts of the chorus and Orchestra from the Joliet Township High school will be on the program. The Mokena School ensemble also will entertain us.

The 3rd grade mothers will serve refreshments at the close of the meeting. Mrs. T. A. Shoop is the room mother in charge.

In Appreciation Of Scoutmasters

A letter of tribute to Scoutmasters which appeared in the "Palos Regional" was brought to our attention by Mrs. Hilda Geuther. The letter follows:

Dear Editor:

Will you please publish this tribute to scoutmasters:

When we send our twelve-year-old sons to the first scout meeting, you accept them as men-to-be. We send them to you as children; in our mother hearts, they are still babies. The first home tie is broken, our word and advice are no longer the law. It is their first regular night out, and the plan of the Scoutmaster and fellow scouts will take precedence over any plan the family has.

When the first overnight hike is arranged, we plan with outward enthusiasm, but are filled with inward misgivings. We want a Scoutmaster who not only is responsible for the mental and physical developments of his troop, but one who will watch over our children, see that they do not overeat, or grow too tired; one who will watch lest the exuberance of freedom may cause them to grow careless of the sharp axes and knives attached to their belts so proudly as they hasten to their meeting place; one who will curb their youthful enthusiasm when the magic flames of the campfire play in the wind. And when the shades of evening fall, and we cannot tuck the fellows in their beds, then most of all we want a Scoutmaster who will take care of our children and replace the blankets that their restless feet kick off during the night.

When they return to us, tired, dirty and happy, we discern amid excited chatter concerning their many accomplishments that the Scoutmaster has been kind, considerate and watchful. Maternal objections are overcome, and a new family era has entered the home. Every member is affected by the "Scouting Way."

Scoutmasters, we thank you, when we are informed as to the what, who, where and how of scouting.

The years pass rapidly while our sons advance from Tenderfoot to Second, First, Star, Life and coveted Eagle Scouts. Our requirements for a Scoutmaster have changed. Those scouts of ours should now be tucking in the blanket about another Tenderfoot, but they need a Scoutmaster who will inspire companionship, and a reverence for God in them.

That is asking a great deal from a man, but you have met the challenge, and we, the mothers, give you our heart-felt thanks. Guided by infinite patience and understanding by a Scoutmaster whom they first respected and later learned to love, our sons have learned to live, work, and play with others—to do their share, to stay by until the job is done, to explore new fields, to worship, the Maker of this great universe.

You have kept their feet on the ground, but you have lifted their eyes to the sky.

We, the mothers, thank you.

Churches to Observe World Prayer Day

The World Day of Prayer will be observed at Frankfort in St. Peter's Evangelical and Reformed church Friday afternoon, February 29, starting at 1:30.

Four churches are participating, Green Garden and Frankfort Methodist churches, St. John's Evangelical and Reformed church of Mokena and the host church.

Everyone is invited to attend this service.

G. S. LEADERS TAKE REFRESHER COURSE

On February 13 an advance refresher course in Girl Scout leadership was given by Mrs. George H. Bills of Mokena for the group who took the leadership training course last fall.

The course was given at the Frankfort Village hall and a potluck lunch was enjoyed. Those attending were: Mesdames Thomas Hull, Leo J. Marcoux, Donald Maue, Andrew Harr, Walter Muehler and Alvin Sorensen from Mokena; Glenn Folkers and Kenneth Oetter from Frankfort, and Mrs. Nancy Hamilton of Monee.

VFW AUX. CARD AND BUNCO PARTY, FEB. 23

The Woman's Auxiliary to William Martin Post 725 of the VFW of Mokena will sponsor a card and bunco party at the VFW hall, Saturday evening, February 23. All games will start promptly at 8:30.

The New Lenox Lions club members are working diligently for the success of their amateur show which they will give Friday and Saturday nights, March 21 and 22 in the Haven avenue school in New Lenox.

This will not be just another amateur show but a really unusual affair. They will crown some lucky Miss as Queen of the New Lenox Lions club on Saturday night. In order to give that title, they are offering votes and the young lady receiving the most votes on the first night of the show, Friday night, will receive a \$25 Savings bond. The one receiving the most votes on the following night, Saturday will also receive a \$25 Savings bond. Then the girl receiving

Mary Greenman

highest total votes for both Friday and Saturday nights will be The Queen and will be crowned such by the Miss America in 1951. She will also receive a \$50 Savings bond. This is a nice inducement for girls to enter this contest. Blanks for same can be seen on another page in this issue and clipped.

In addition to the contest for a Queen, carefully selected acts for the show will be presented. One will be Herr Oster and his classroom capers. The teacher for same will have such pupils as Heimerdinger, Hoefler, Kammer, and Feil.—Ach Mein Himmel, (vot dumbbells) it really shouldn't happen to any teacher, but those attending the show will see that it does.

Miss Mary Greenman will appear in a monologue which is rated tops in entertainment. Mrs. Marg Berens will render several organ selections, which alone will be worth the price of admission.

Another feature well worth the admission price is the well-known Will County Rural chorus. That's enough said for that number, for everyone is delighted with their offerings.

This is a program filled with fun, laughter and pleasure for two hours that will be the best New Lenox has ever seen.

Everyone is working for their favorite friend or relative to be crowned queen. The funds derived from the show will be used for the Lions activities. Every one in all neighboring areas are cordially invited to attend one or both evenings.

Snip 'N Snack 4-H

On February 16 the Green Garden Snip 'N Snack 4H club met at the home of Carolyn Krapf. The president, Francis Kurima presided. Pledges to the flags were given. "Down in Kentucky" was sung by the group led by Muriel White.

The highlight of the afternoon was a demonstration on gift wrapping by Mrs. Leona Baird from Peotone. At the next meeting the girls are asked to bring a package gift wrapped.

Roll call was answered by "Your Favorite Television Program". A skating party is planned for March 7 at 7:30 p. m. All the girls are selling tickets for this event.

The next meeting will be at the home of Marianne Wieland on March 22.

Some important dates to remember are: March 3, 4H rally at Frankfort gym; March 1 to 9 National 4H week window display sponsored by the 4H federation.

The following program followed the business meeting: Safety talk, Barbara Scheer; The Story of Molasses, Kathryn Ulrich; Demonstrations, How to Make a Valentine Coffee Cake, Marlene Schwiesow, and How to Make Candles, Carolyn Krapf.

Signature song, "This Little 4H Light of Mine" was sung and lunch was served.—Carol Ulrich, club reporter.

Frankfort Spaghetti Supper

The Youth Fellowship of the Frankfort Methodist church will give a Spaghetti supper in the church parlors on Tuesday evening, February 26, beginning at 6 o'clock. The public is invited to attend.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

The Orland Park Brownies met Friday, in St. Michael's school hall. This was a combined meeting of both troops, the chief purpose being a Valentine party. After the roll was called

and dues collected, games were played, and refreshments of Dixie cups and home made heart shaped cookies were served. The girls had a wonderful time, our only regret was that Saralyn and Janice could not share the fun, because they were ill. The Friday group will not meet February 22 due to the holiday.

DEARBORN LOADERS

FOR THE FORD TRACTOR

**Save Your Back and Muscles—
SAVE MONEY, TOO!**

No matter which of 3 models you select you will be doing your back and arms a big favor. Think what a loader could mean in loading manure, gravel, sand, coal, grain, . . . in lifting out old posts, moving machinery, boxes, bales, and dozens of other objects. And you get "a lot of loader" for a low price because all models have the same basic frame, lift arms and ram cylinders.

Any model can be attached to the Ford Tractor in 30 minutes or less; detaches even faster. Material bucket, manure fork or crane attachment for all models. (Priced and sold separately.)

STANDARD LOADER (Illustrated)

Lifts 750 pounds with Ford Tractor Hydraulic Touch Control. Bucket or fork dumped by convenient mechanical lever. Kits available to convert this model to either of the two models below.

HEAVY DUTY LOADER

Lifts 1000 pounds. Has own hydraulic pump driven by front end of tractor crankshaft. Leaves tractor's hydraulic mechanism free for operating blade, scoop, etc. on rear. Kit available to convert to model below.

HEAVY DUTY LOADER WITH HYDRAULIC BUCKET CONTROL

Same as Heavy Duty model except bucket can be hydraulically held in any position, dumped or partially dumped when raised or lowered. Handy when digging into material for "right" angle of attack. See us about these great new loaders!

CARD OF THANKS

We wish to express our thanks and appreciation to all our friends, neighbors and relatives for the kindness and sympathy extended to us during our bereavement; also to the Rev. Jitsu Morikawa, D. D., for his comforting words; Mrs. Melvin Rensink, organist and Mable Lanfrusti, soloist; and to those who sent floral offerings and memorials.

Husband, Harry J. Beggs and sister, Sarah E. Meyer.

The date for the next meeting of the Tinley Park Garden club was listed wrong in last week's issue: it should have stated it will be held February 21 instead of the 12th in the home of Mrs. J. M. Klepper at 1:30 o'clock.

Mr. and Mrs. Edmund Moss drove to Champaign Sunday, and visited with Mr. and Mrs. Alfred Moss. Alfred is in the Naval Recruiting office there.

Mrs. Elmer Chapman entertained eight ladies at a 1 o'clock luncheon Wednesday. Cards were enjoyed in the afternoon.

Mrs. Edmund A. Moss entertained at Canasta Tuesday.

Mr. and Mrs. Ralph Bernier of Goodland, Ind., arrived Saturday afternoon, spend the week end with the Robert McClellan's. Mrs. Perle Fry, mother of Mrs. McClellan, whose home is in Argos, Ind., will spend the week with her daughter and family returning home Sunday.

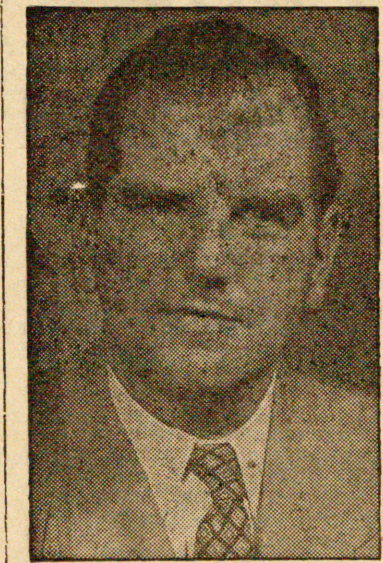

Wanda Kay, daughter of Mrs. Karl Lehmann, celebrated her fourth birthday February 12. Guests at her party were Mr. and Mrs. Arthur Keuch, daughter Bonnie Lee of Blue Island, Mr. and Mrs. Arthur Keuch Sr., and her uncle Herman Lehmann.

Mr. and Mrs. Kenneth Schmude entertained their pinocle club Saturday evening. The club which consists of four couples, has been in existence for five years.

Mrs. Will Buchanan is improving nicely from recent surgery in the Presbyterian hospital in Chicago.

A Valentine party was enjoyed by Brownie Troop 239 at the regular meeting place last Tuesday afternoon. Games were played and prizes awarded. There were valentines, balloons and a little gift for every member. The refreshments were heart shaped sandwiches, cookies, candy, and Seven Up. This party was sponsored by Mrs. John Swisher in honor of her two grandchildren, Kay and Francis.

Mrs. Robert Chana entertained six little neighbor friends for

Jiggs Gets Four "Hot-Foots"

Cappy Miller's bought himself a new car. We won't be seeing his old jalopy bouncing over the back roads any more. I'm going to miss it, too.

Many a morning Cappy and I drove off in that rattletrap for a day's hunting or fishing. We'd pile rods or guns in back, and prop open the trunk compartment—so Jiggs, Cappy's pointer, could jump in and go along.

They say when Cappy brought the new car home he opened up the hood to show off the engine—and poor old Jiggs hopped right

her daughter's 4th birthday Friday, February 15.

Mr. and Mrs. Ray Davenport had as their Sunday breakfast guests: Mr. and Mrs. John Kukula and family of Oak Park, who were enroute to Cleveland, Ohio, where they will make their new home.

Mr. and Mrs. Ronald Milles, announce the birth of a daughter, Cynthia Marie, six pounds, three ounces at Ingalls Memorial hospital in Harvey, Sunday, February 10. Mrs. Milles is the former Yvonne Buick.

Keith Johnson, a student at Wayland Academy, Beaver Dam Wis., spent the week end with his parents, Mr. and Mrs. Leslie Johnson.

Mr. and Mrs. Merle Butzer and family were guests of Mr. and Mrs. Morris Brown and family of Palos Heights, Sunday afternoon.

Guests of Mr. and Mrs. James Harcourt, Sunday evening were Mr. and Mrs. Fred Arndt, Mr. and Mrs. Arthur Arndt of Chicago.

Mrs. Lawrence Browne is a patient in the Hazelcrest hospital.

Mr. and Mrs. Kissel Barton were among the 17 relatives present at the baptism of their two grandsons, Henry and Craig Thiele in the First Lutheran church at Plano, by Rev. E. Leonard Johnson, Sunday. Also christened was the little daughter of Mr. and Mrs. E. E. Woeltje.

The father of Henry and Craig and the mother of Bonny Lynn were christened by Rev. Johnson when they were infants, and for this reason the ceremony held a deeper meaning for the families. Following the ceremony Rev. and Mrs. Johnson served a lovely dinner to the group.

Mr. and Mrs. Lee Jolly of Chicago with their son James Allen visited the Davidsons' Sunday.

Secret of Courage
Lesson for February 24, 1952

THERE are different kinds of courage. One is physical, either enduring pain or enduring the prospect of it. Another is moral, enduring ridicule and slander, or the prospect of it. Some occasions call for both kinds. Just as there are different kinds of courage, so there are different causes of it. Physical courage may be in some cases no more than the result of ignorance.

A passenger on a boat during a storm said to an old salt: "I'm not a bit afraid. 'The old Irish s-a-man sniffed. 'Them as knows nawthin' fears nawthin'," he said.

Men who have been in combat can recall some character who lacked all the virtues but one; he was never afraid. Physical courage can even be instilled by drugs or by rum. But moral courage cannot be induced by drugs, alcoholic or otherwise.

It takes more than a tough nervous system to stand up against slander, hatred and ridicule. Some men who can take a razor-blade and calmly operate on themselves for snake-bite, cannot stand the sight of human snakes who try to hiss them down.

The Inner Circle
JESUS was always on the lookout for brave men. Indeed, he made brave men.

There were three men in his innermost circle—Peter, James and John. They were men of quite different temperaments; tradition reports that they differed widely in age also. But for whatever reasons, Jesus treated these men differently from the other nine.

That is, he kept them close to him on certain occasions when the rest were left behind or shut out. These three were his only companions at the mount of transfiguration. They were the only three he allowed in the room where he brought Jairus' little girl back to life. They were the three he took with him into the garden of Gethsemane to share his agony. They failed him there—they failed him at other times as well. But the point is that Jesus kept on with them, he did not give them up as hopeless cowards, he gave them more of himself than he gave to any other mortals in his time.

It was as if the Master had said to himself, these men, at least, shall know me. And though they failed him, the time came when they did not fail.

Our story in Acts shows how these men stood up against odds; against all the weight of popular opinion, all the force of law, all the attack from the leaders of society, these men stood up with a simple courage. They showed both physical and moral courage at the same time.

And even their enemies, surprised and baffled and blind as they were, understood the secret of their courage: they knew that they had "been with Jesus."

Heroes Without Medals

NOT all heroes wear medals. To this very day there are Christians who show the same kind of courage made famous by Peter and John. When a minister in Louisiana or Kentucky speaks out against the gambling which has become an octopus in his community; when he not only risks a dynamite bomb on his front doorstep from the gambling lords, but the name of "crackpot" from his neighbors; when the ministerial association of Gary, Ind., dares to stand up against powerful business interests in that city in the name of decent housing for the poor; when a Frank Graham of North Carolina dares to stand for Christian fairness to the Negro even when it means continual slander and political defeat; when Kefauver dares to stand up against corruption; you can be sure that the secret of such courage is the old one: these men have been with Jesus.

The story of Christian missions is full of such things. More than fifty years ago a heathen mob was about to tear a missionary named Pitkin to ribbons. They asked him if he had anything to say first, "Yes," he said, "tell my son to come out here and finish my work."

They killed him; but the son did come. And one of his first converts was a man who as a boy had seen the elder Pitkin die. He had never been able to forget that kind of courage.

In our own time another missionary, with the axe literally above his head, was asked: Aren't you afraid?—Afraid of what? he said. If you kill me I shall go straight to heaven.

The SHEVLIN FAMILY

A daughter was born February 1 to Mr. and Mrs. Willard Munch in their home on St. Mary's road, Mokena. She weighed 8½ pounds and has been named Ruthann Margaret. Sunday morning the baby was baptized during services in St. Mary's Catholic church by Fr. Juniper Freitag. Sponsors were her father's sister, Mrs. Irene Wagman, of Salt Lake City, Utah, and Vance Anders, her mother's brother from Chicago. She wore the same christening gown which her father wore when christened. There were 12 guests at the family dinner in the home at noon among whom were her grandparents, Mr. and Mrs. John Anders of Chicago.

Mrs. William Manes of Kirkwood, Mo., and Edward Bormet of Portland, Oregon have been guests the past two weeks of their uncle, Konrad Bormet who is ill, and families in the Jerome Daugherty home.

Pfc. Daniel Gode has been on a maneuver cruise for the past 20 days going to the San Clemente Islands. He is serving with the marines.

T Sgt. Adam Rusin, brother of Mrs. Nick Grybash, 190 Wolf road, is enroute from the Philippine Island to Cheyenne, Wyoming. He will spend a 30 day furlough in the home of his sister.

Wilbur Teske who has been employed at the Wannemacher grocery store in Mokena for many years is now employed at the National Food store in Tinley Park.

Ralph Yunker, son of Mr. and Mrs. Walter Yunker left Thursday, February 14 for training at the Great Lakes naval training center.

Mrs. Henry Shevlin is spending a few days in the home of her daughter, Mr. and Mrs. Emory Fulton in Tinley Park helping to care for their new daughter.

"SMALL BUSINESS"

By C. WILSON HARDER

A grim jest makes the Washington rounds today. It is "A single atom bomb can save the country . . . if it is dropped on Washington."

What is meant is that seemingly this is the only way to eliminate the free-spending bureaucrats who have fastened such a hold on the American tax dollar.

Washington veterans can understand, although not condone, the greed behind alleged graft disclosure. C. W. Harder surely now making headlines. But sheer lunacy, as exemplified by many bureaucratic actions, passes all understanding. That is why the saying now is: "We are used to a White House clique, a Capitol Hill clique, a military clique, and others, but now there has been added to government a St. Elizabeth clique."

St. Elizabeth's is the large hospital for insane near Washington. For example, the Marshall Plan publishes many, many publications, all carrying clever little stories, ground out by hundreds of government press agents, hailing Marshall Plan accomplishments.

The Marshall Plan News, an expensively printed slick paper publication points with pride that Marshall Plan dollars are now being used to rehabilitate the ancient ruins of Greece, just as new taxes bite deep into every family.

So millions of families who found new taxes in November paychecks, ruining their budgets will be made happy to know their money will go to restore ancient ruins in Greece.

Still more amazing is that

returned home Tuesday from a wedding trip.
Mrs. Jessie Sippel attended the wedding of a friend Saturday evening in the Swedish Lutheran church in Chicago. It was a candle light ceremony and a lovely reception followed in the church parlors.
Mrs. Lydia Ryan and Mrs. Adolph Sten attended the concert in Chicago Friday afternoon in Orchestra hall. It was Verdi's Requiem Mass and conducted by Guest Conductor Bruno Walter. The glee clubs of Northwestern university, consisting of boys and girls sang the parts accompanied by the Chicago orchestra and organ. It was an outstanding performance as Mr. Walter, who is 76, is a retired conductor and enjoys assisting conductors when needed.
A son was born February 12 in St. Francis hospital Blue Island to Mr. and Mrs. Ludwig Muehler. The baby weighed 8 pounds, 9 ounces. His father is a former Mokena resident.
Mrs. Rose Bechstein left Saturday to spend a week with her sister, Mrs. Emma Hauck in the home of Mr. and Mrs. Francis Logan.

Robert C. Merrick Airman USN, son of Mr. and Mrs. George Merrick of Mokena recently was graduated from the Aviation Machinist's Mate school at the naval air training center at Memphis, Tenn. He has been transferred to the naval air station at Alameda, Calif., where he will be trained to maintain and repair jet power plants in addition to other aircraft engine duty.
A daughter was born in the Ingalls Memorial hospital in Harvey February 2 to Mr. and Mrs. Howard Strassenberg of Mokena. The baby who has been named Linda Joy weighed 7 pounds, 6 ounces, and is a grand daughter of Mr. and Mrs. George Reid of Mokena.

Alfred Hatch has purchased property in St. Petersburg, Fla., and has gone there to live with his sister, Mrs. Henry Grassel, formerly of Joliet.
Mr. Paul Cowhig, of Ft. Thomas, Ky., called on Mokena friends last Thursday evening. He had been in Chicago on business and ran out to see his old friends. The Cowhigs are former Mokena people and remember with pleasure their residence here. Their friends were surprised and pleased to see Mr. Cowhig who was transferred to Ft. Thomas, near Cin., Ohio where he is manager of the American Express.

Marshall Plan officials rush into print to boast about their new way of throwing away dollars.
Congress, when more money was voted, was told that Marshall Plan would be changed to the Mutual Defense Assistance Plan, to aid free Europe arm for defense.
The fact that Congress accepted this statement indicates even Congressmen fail to understand lunacy.
And now with great pride, Marshall Plan officials rush into print to report how greatly they have helped the Austrian zither industry. A zither is a seldom used multi-stringed musical instrument.
They carefully point out that Marshall Plan dollars, given to an Austrian government lending agency, financed the zither industry expansion.
Undoubtedly, more zithers is just what Eisenhower needed.
Divisions of men armed with zithers must be an ideal solution of Ike's problem of how to stop Russian armor.
Such blatant boasting of squandering American taxes, many believe, can only come from unbalanced minds.
And many a vacationing Congressman, finding constituents questioning his sanity for tolerating such things, will return to Washington in an ugly mood.
And even though the Marshall Plan is strongly supported by a few huge corporations profiting from the billions of dollars worth of petroleum, machinery, chemicals and newspaper given to nations like Yugoslavia, the force that has always saved America may strike again.
That force, again mobilizing, is the common sense sanity of the average American.

60.45 Horsepower
ON LESS FUEL . . .
THE MOST POWERFUL, ECONOMICAL WHEEL TRACTOR IN THE FIELD
MASSEY-HARRIS
4-5 PLOW 55

With the big, powerful 55 on your farm, you can take on your heaviest plowing, discing, tillage or dozer jobs with confidence. 382 cubic inches of high-compression power are at your command, always ready to meet the needs of the job with smooth, steady power for average conditions, or brute lugging force to power thru when the going is toughest. What's more, the 55's engine, transmission and fuel system give you maximum fuel economy under all conditions.
Let us give you a demonstration of the most economical, most powerful wheel tractor in the field—the Massey-Harris 55.

THE TIRES PRODUCED UNDER
ATOMIC CONTROL

You Can Get Them Now!

Better tires made possible through the use of radio-
active material from the atomic furnaces at Oak
Ridge, Tennessee. Rays from a tiny piece of STRON-
TIUM 90 penetrate and scientifically measure the
thickness and weight of the rubberized fabrics used
in these tires. This scientific control at the time of
production promises you uniform, accurate materi-
als—your assurance of top-quality tires.

Fortified with Cold Rubber

Amazing COLD RUBBER, the toughest tread-
rubber ever developed, fortifies the tread of
these long-wearing, durable tires.

Cold Rubber, Scientific Production Controls and
Highest Quality Materials and Workmanship through-
out, have made possible a warranty of satisfaction
that you get with no other tire.

You Get Written Protection

This WRITTEN Customer Satisfaction Contract
protects you against BLOWOUTS, RIM CUTS,

Spain

By William B. Dillingham

In Spain a large part of the
people support bullfighting, and
likewise, bullfighting supports a
large part of the people. They
do each other a good turn, so
to speak. The only thing about
it, I believe, is that the bull
would prefer to have nothing
further to do with the affair.
And after watching a bullfight,
I quite understand his point of
view.

On an ordinary Sunday after-
noon, six bulls are killed in the
arena. The "fight" starts about
5 p. m. just as the sun is plan-
ning a slow retreat. The "Peo-
ples Class Ticket," meaning a
seat situated in the sun, costs
30 cents. Spectators come in
with their wine flasks filled up
and work themselves into a
boiling fever screaming and
yelling at the bullfighter, stamp-
ing their feet and getting into
arguments with one another.

The actual killing of the bull,
which is a bloody affair a bit
hard for the foreigner to stom-
ach, goes something like this:

In rushes the bull after being
tormented into a flaming anger
by his attendants—blood is usu-
ally visible on his back where
he has been stuck by jagged in-
struments. A few passes at the
bullfighter, during which time
the bull charges the colored
cloak instead of the man—some-
thing I could never quite fig-
ure out—and the animal is po-
sitioned for an attack by a dart
thrower. These darts are long-
colored arrows that, when
thrown like spears, end up im-

bedded in the bull's back with
sticker points so that they will
not easily be jarred out. After
this, a man rides out on an old
horse—the animal being blinded
with covers over his eyes and
obviously terrorized by the
smell of death—and attempts to
push a long lancer (with about
a 2 1/2 inch diameter) into the
bull's back. The end of the lan-
cer is painted white so that when
it is withdrawn the crowd can
determine how far into the an-
imal the spear had gone by the
blood mark.

During all this the bull is at-
tempting to defend himself by
charging the shielded horse.
Occasionally the horse will be
bowed over into a position
where the bull can do some
harm, and then the spectacle
has reached the point where
only the extreme psycho-neu-
rotics find the affair endurable.
The bullfight ends after a three
foot sword is pushed complet-
ly into the animal's back—going
through the center of everything
that is vital. If the swordsman
is not skillful, the spectators
might see six inches of the
blade sticking out between the
bull's ribs. At this point the
animal usually collapses, has a
dagger driven into his brain to
make certain of his death, and
then his ears are cut off and
offered to some spectator of dis-

tion. If the bullfight has
been a "supurb" affair, in the
opinion of the spectators, the
tail of the animal is cut off as
a symbol of great "skill" to the
bullfighter. This rather coarse

display of entertainment, inci-
dentally, takes place just within
a matter of hours after these
meek and humble souls have
departed from their hour of
Sunday prayer.

Conservation Prog. Open to All Farmers

Conrad Borms of the Will County PMA committee wants every farmer to know that he is eligible to cooperate in the 1952 agricultural conservation program. The door is open to all farmers. Mr. Borms pointed out that with the population increasing, more and more people are depending on how well farmers take care of the land. Because all the people in the country do depend on the land and how well it is taken care of, Congress provided the Agricultural Conservation program to assist farmers in carrying out conservation practices. Through this program, assistance—both financial and technical—is made available to farmers who participate.

"In this county," he said, "assistance will be given in carrying out practices such as sod waterways, pasture establishment or improvement, initial contouring of intertilled crops, initial contour farming of close-sown crops, standard terraces, tile outlets, green manure crops, seedlings of biennial and perennial legumes or mixtures of these legumes, liming materials and fertilizers." These practices are those which farmers themselves and folk working with them have found are some of the best ways to keep land from washing and blowing away, to build up fertility, and to make the land more productive.

Farmers in Will county may sign up to participate in the program at the county office, 157 North Ottawa street, Joliet, on or before the deadline date of March 31, 1952.

McVey, Author of Bill to Increase Narcotic Penalties

Life terms in prison for chronic violators of the narcotics laws are provided in bill presented to the lower House of Congress by Congressman William E. McVey (4th Illinois district) last week.

In the belief that the recently tightened statutes against narcotics peddling are still too loose Congressman McVey has asked the house to increase all penalties provided by the present laws. His bill would provide

WJOL to Broadcast Basketball Games

Local cage fans were assured of a radio outlet for broadcasts of the "Sweet Sixteen" finals to day as Public Service Company of Northern Illinois arranged to sponsor a full slate of tournament action over WJOL, Joliet. Joe Garvey, station manager, watches W. J. Murdock, company district superintendent, sign contract making WJOL one of 13 stations in the Public Service Company over basketball network. Play by play descriptions of all games of the state high school basketball tournament, March 19 through March 22, will be aired direct from George Huff gymnasium, Champaign.

terms of from 10 to 15 years, instead of from 2 to 5 years, for first offenders. In the second group it would increase the penalty to 10 to 20 years instead of the present 5 to 10 years. It proposes a life sentence instead of a penalty of from 10 to 20 years for chronic violators.

The bill has been referred to the committee on Ways and Means.

Mokena School News

First Grade
 We made a large calendar for February. The children cut out letters to say February. They took turns writing the days of the week and the numbers for each day.

Now we are pasting a symbol for each great person born in February. These include Charles Lindbergh, Thomas Edison, Abraham Lincoln, St. Valentine, Susan B. Anthony, George Washington, and Henry Wadsworth Longfellow.

We spend a few minutes on the right day talking about these people. We also recognized Janet Geuther, our only first grader with a February birthday.

February 14 we had a valentine party and made our own heart patterns to decorate the windows and lockers. We made valentines for our parents. Mrs. Kiesel kindly furnished dixie cups and Cheryl Hearn and the teacher furnished candy. Each child received many lovely valentines. We were proud to visit Mrs. Leedom's room and show our original stories and sing our valentine song.

Second Grade
 We made temperature charts in science class and put them on our lockers. Each morning when we come to school, we write the temperature on the chart.

Each boy and girl in the room decorated a small valentine box instead of making one large box for the room. We had so many pretty boxes that we invited the children from the other rooms to come and see them.

Mrs. Pauling served us delicious cupcakes on Valentine's day. We also had candy bars. We wrote a thank you letter to Mrs. Pauling. We have been writing letters in our language class and this gave us a good opportunity to put into practice the things we have learned about letter writing.

We read the story of The Three Little Pigs in the American Reading class last week and put on a play after finishing the

story. We entertained the other rooms with the play. Danny Williams was the director of the play. He chose the following children to portray the characters: Mark Muehler, Bad Wolf; Lois Bruhn, Mother Pig; Patricia Barnes, first little Pig; Hal Halverson, second little Pig; Betty Lehmann, third little Pig; Dennis Christensen, Man with Sticks; Dennis Parick, Man with Bricks; David Baker, Apple Tree.

Third and Fourth Grade
 A group of Third Grade boys and girls were chosen by the children of the class to dramatize the story from our reader, The Golden Pears. A week or so later those who had not taken part in The Golden Pears dramatized The Princess Who Couldn't Laugh. In presenting these dramatizations the characters, managers and helpers were chosen by the children with the understanding that everyone was to have a part in some dramatization. After a few rehearsals the children enjoyed acting out the stories for Mrs. Pester's, Mrs. Renfro's and Mrs. Wheelery's rooms. Besides the fun of being in a playlet the children obtained valuable lessons in cooperation, self-reliance and self-expression. No lines were memorized. Each child expressed in his own way the actions and speeches of the character he was depicting.

On Valentine's Day we enjoyed having the children from Mrs. Pester's room bring their stories for us to read. Each child had written his own story on chart paper, using characters from the basic reader which they had just completed. As many First Graders have older brothers or sisters in our room it was fun for them to hear their stories read by these older children. After we had read the stories the First Graders sang a Valentine Song for us. In the afternoon we enjoyed our own Valentine party. We had no planned program but enjoyed a program of a "hurriedly got up" talent show put on by volunteers from the room. This included songs, verses and a tap dance. Most of the children took part. The opening of the two Valentine boxes and the distribution of Valentines as well as the opening and reading of Valentines made this a happy period for the children.

The Fourth Grade Geography class has been working on a Unit about China and have been making a bulletin board exhibit depicting life and habits as well as historical facts about that country. They have drawn The

Great Wall, their idea of a small Chinese farm, a Chinese pagoda, the compass which the Chinese were the first to invent, a Chinese boy picking tea leaves from the tea bush, and they expect to add more drawings or articles to fill the bulletin board and to help them remember important facts about that country.
